

# Community Meeting

November 16, 2016, 6:00 pm

Multipurpose Building

Pizza and drinks will be provided

---

**WHO:** The Kickapoo Department of Environmental Programs (KDEP) is in the process of applying for EPA funding to demolish the Old Gym. The Old Gym contains both asbestos and mold and may pose a threat to human health.

**WHAT:** The KDEP is seeking community input regarding the proposed project. The Community Meeting will include an overview of the proposed project, as well as an overview of other alternatives to demolition of the Old Gym. The proposal will be available for review during the meeting. The proposal will also be available for review at the KDEP office from November 17 through December 1, 2016, during regular office hours.

If you have questions regarding the project or the Community Meeting, please contact Darren Shields at 964-5967.
